

## New Jersey Youth Caucus Meeting and Phone Conference

The New Jersey Youth Caucus is comprised of youth who have prior or current involvement in the juvenile justice system and may struggle with emotional or behavioral challenges.

The purpose of the Caucus is to improve outcomes for system-involved youth through meaningful and authentic youth involvement on all levels of decision making and strengthen the juvenile justice and mental health systems in New Jersey.

The Caucus provides a venue for youth to learn and grow, to better understand their unique challenges, inform the juvenile justice and mental health systems, government policy, reduce stigma, increase awareness and improve the overall lives of their families and communities.
