## New Jersey Children's System of Care

Children's System of Care, a Division of New Jersey's Department of Children and Families, serves children and adolescents with emotional and behavioral challenges and their families. Children's System of Care is committed to providing these services based on the needs of the child and family in a family-centered, team driven, community-based environment. Children's System of Care is committed to involving families in all aspects of the planning and treatment process to ensure a System of Care that is family-friendly and culturally competent.

---

## PerformCare

[PerformCare](#) serves as the statewide contracted system administrator for the Division of Children's System of Care Services. Through PerformCare, Children's System of Care provides families with a single point of contact that registers, tracks and coordinates care for children involved with the System of Care. PerformCare serves as the administrative hub of the System Of Care and performs a range of system management, technical support and

quality improvement functions essential to organizing, operating and monitoring the system.

For more information, contact [PerformCare](#) at (877) 652-7624.

---

## Care Management Organizations

Care management organizations (CMO) are private, nonprofits that coordinate a full range of treatment and support services for children with the most complex needs. Using the Wraparound Model, they work with child-family teams to develop individualized service plans. The CMO's goals are to keep children in their homes, their schools and their communities. If you need access to Care Management services, contact PerformCare at (877) 652-7624 for a referral.

## Mobile Response and Stabilization Services

The Children's Mobile Response and Stabilization Services (MRSS) provides on-site mobile crisis assessment to Hunterdon, Somerset

and Warren Counties children and youth between the ages of 5 through 18 who are in an active state of crisis or escalating crisis, 24 hours a day – 7 days a week. It is designed for children whose behavior is putting them at risk. MRSS also provides short-term, flexible services to assist with stabilizing children in their current living arrangement. Creating a comprehensive, coordinated Individual Crisis Plan with the family, crisis stabilization is provided and monitored for up to 8 weeks. If you want to access Mobile Response services, please contact Perform Care at [\(877\) 652-7624](tel:8776527624) for services.
